

Resolution

of the Nevada Association of Counties

22-02

Older Americans Month 2022

“AGE MY WAY”

Whereas, Nevada’s Counties are seeing an increase in the number of older Americans who contribute their strength, wisdom, and experience to our communities; and

Whereas, counties benefit when people of all ages, abilities, and backgrounds are welcomed, included, and supported; and

Whereas, the Nevada Association of Counties (NACO) recognizes our need to create communities that provide the services and support older Americans need to thrive and live independently for as long as possible; and

Whereas, NACO encourages every Nevadan to build an even better community for our older residents by planning programs that encourage independence, ensuring activities are in response to individual needs and preferences, and increasing access to services that support aging in place; and

Whereas, NACO urges every resident to recognize the contributions of our older citizens, help and join efforts to support older Americans’ choices about how they age in their communities.

Now, therefore, BE IT RESOLVED THAT WE, the Nevada Association of Counties does hereby proclaim May 2022 to be “**OLDER AMERICANS MONTH**” in All Nevada Counties.
