Priority	Support	Oppose	Monitor	
Bill	Description	Sponsor	Tag	Note
AB2	Revises provisions governing the employment of certain professionals on public works projects. (BDR 54-487)	Committee on Commerce and Labor	Support	CLARK COUNTY - Counties can't currently engage in professional engineering or surveying for public works unless the work is done by a licensed architect, engineer, or surveyor, unless the expenditure for the project is less than 35k - this bill changes that threshold to 100k.
AB3	Authorizes the Department of Taxation to issue additional licenses for retail marijuana stores and certificates for medical marijuana dispensaries upon the request of a city. (BDR 40-431)	Committee on Judiciary	Marijuana, Monitor	LEAGUE OF CITIES - Currently counties are the only entities that can request additional licenses for mj dispensaries - this bill would allow cities to request additional dispensaries. Also current law prohibits, in Clark and Washoe, any jurisdictions from containing more than 25% of of total med mj dispensaries in a county - this bill exempts additional med mj dispensaries requested by cities from that requirement.
AB4	Authorizes cities to create a district for a city fire department. (BDR 21-459)	Committee on Government Affairs	Monitor	CITY OF RENO - Allows a city to create a fire district, governing body is the city council; can establish the boundaries of the district must be within city limits; the city may levy a tax to support the district - does not say what type of "tax".
AB5	Revises provisions governing the amendment of the land use plan of the master plan by local government planning commissions. (BDR 22-462)	Committee on Government Affairs		CITY OF LAS VEGAS - This bill allows for an addt'l exemption for adopting changes to master plans, in this case as long as the change is not more than 250 parcels.
AB11	Revises provisions governing Veterans Services. (BDR 37-194)	Committee on Government Affairs	Monitor	DEPT OF VETERAN'S SERVICES - Currently a county can create an office of veteran's services and if they do so the State has to pay some of the office's operating costs, this bill removes the state requirement to pay the county, but provides that if the county creates an office with a coordinator, the county is required to request that the State give the coordinator training and certification, and the State must do so.
AB18	Authorizes certain local governments to install and maintain ramps on certain public easements and rights-of-way. (BDR 21-433)	Committee on Government Affairs		LEAGUE OF CITIES - Allows any county, city, town or district to construct handicap ramps in any right of way, if the ROW is adjacent to a public highway and the ramps don't damage any other infrastructure in the ROW
AB21	Authorizes a board of county commissioners in certain counties to appoint members of certain local governing boards under certain circumstances. (BDR 20-484)	Committee on Government Affairs	PRIORITY, Support	NACO - bill to allow smaller administrative boards to become appointed boards if they are unable to fill seats due to lack of qualified individuals interested in running, or term limits.

AB30	Revises provisions governing the appropriation of water. (BDR 48-214)	Committee on Natural Resources, Agriculture, and Mining	STATE WATER ENGINEER - this bill would introduce the 3M concept, "mitigation, management and monitoring" This would address water rights conflicts through mitigation, where a diverted water right could be mitigated with other replacement water, or other type of mitigation. Any mitigation would have to keep senior water rights whole.
AB32	Revises provisions governing workforce development. (BDR 18-329)	Committee on Taxation	GOED - Expands workforce development laws so that local governments can participate in workforce development programs.
AB34	Revises provisions governing the investment of money held by the State or certain political subdivisions of the State. (BDR 31-476)	Committee on Government Affairs	NV TREASURER - Changes to local entities who may invest in certain types of securities; increases the amount of a counties' portfolio that is allowed to be invested into commercial paper.
AB36	Revises provisions governing the partial abatement of various taxes imposed on aircraft, components of aircraft and other personal property related to aircraft. (BDR 32-330)	Committee on Taxation	OFFICE OF ECONOMIC DEVELOPMENT - This bill would expand the abatements to aircraft-related businesses - personal property and sales and use.
AB38	Requires certain persons to report actual and suspected drug overdoses. (BDR 40-413)	Committee on Health and Human Services	\$Maybe Fiscal Impact/ Unfunded Mandate\$, ATTORNEY GENERAL - This bill requires all types of emergency services personnel, including volunteers, to report overdoses to the State. Also requires coroners to report overdoses. Reports must be made using an electronic system adopted by the State. Failure to report will result in a misdemeanor.
AB39	Revises provisions relating to governmental financial administration. (BDR 31-477)	Committee on Government Affairs	TREASURER - Not certain how this bill affects counties, if at all, makes changes to securities.
AB40	Revises provisions relating to public office. (BDR 23-401)	Committee on Legislative Operations and Elections	SECRETARY OF STATE - This bill updates definitions and applicable gifts, monetary or otherwise that are covered under prohibitions to elected officials. Updated information here on what is allowed: https://www.nvsos.gov/sos/elections/candidate-information/campaign-finance-reporting-requirements/financial-disclosure-statements . This bill also updates definitions of who is related to a member of the legislative branch and therefore covered under this law, that was passed in 2015. Further, it allows for penalties to be levied by the district court for each violation, up to \$1,000.

AB43	Increases the number of district judges in certain judicial districts. (BDR 1-498)	Committee on Judiciary	\$Maybe Fiscal Impact/ Unfunded Mandate\$	SUPREME COURT - This bill would mandate an increase of Judges in the 2nd, 4th and 8th judicial districts. Currently Washoe, Elko and Clark Counties, respectfully.
AB46	Increases annual base salaries for certain justices and judges. (BDR 1-500)	Committee on Judiciary		
AB47	Makes an appropriation to the Division of Public and Behavioral Health of the Department of Health and Human Services to establish a pilot program to address behavioral health crisis response in certain counties. (BDR S-501)	Committee on Health and Human Services		RURAL REGIONAL BEHAVIORAL HEALTH POLICY BOARD - This legislation applies to counties of pop. less than 55k. It would create and fund a pilot program to introduce regional behavioral health response teams and training to law enforcement and emergency medical personnel to address and intervene with people who are experiencing a mental health crisis. The bill requests 75k for the pilot program and to train personnel. Secondly, the bill requires a law enforcement officer or emergency medical attendant that has gone through the Crisis Intervention Training (CIT) to conduct an in-person response to a potential mental health crisis. The legislation also asks for funding in the following areas: 1) 150k to hire a mental health provider to coordinate the training 2) 150k to conduct additional CIT training 3) Requests 200k to support four case managers who would be required to provide follow-up responses to those who have gone through a mental health crisis, with a focus on ongoing needs for care.
AB48	Revises provisions relating to the requirements to levy taxes to support certain fire districts. (BDR 20-485)	Committee on Government Affairs		NYE COUNTY - Provides enabling language as opposed to mandating a tax levy by a county when creating a fire district.
AB50	Revises provisions governing the dates for certain city elections. (BDR 24-473)	Committee on Legislative Operations and Elections		SECRETARY OF STATE - Changes the date of municipal elections to coincide with the statewide election cycle. This bill would require these elections begin in 2022.
AB51	Revises provisions governing the management of water. (BDR 48-213)	Committee on Natural Resources, Agriculture, and Mining		STATE WATER ENGINEER - This bill would allow for hydrologic science that allows for the state water engineer to enact regulations that pursue and allow for the "conjunctive management" of aquifers and rivers as one resource. Allowing for the state water engineer to pursue a conjunctive management program in basins and levy an assessment to fund mitigation.
AB62	Revises provisions related to water. (BDR 48-215)	Committee on Natural Resources, Agriculture, and Mining		STATE WATER ENGINEER - This legislation changes loopholes and exceptions for requiring water users to utilize water resources for beneficial use and allowing for deadline extensions, currently the statute provides for several exceptions to this requirement. As introduced the legislation would implement the following deadlines: 15-year for municipal construction projects, 10-year for limits for larger agricultural projects, and a 5-year limit on all other projects.

AB66 Provides for the establishment of crisis stabilization centers in certain counties. (BDR 39-486) Committee on Health and Human Services

AB70 Revises provisions governing the Open Meeting Law. (BDR 19-421) Committee on Government Affairs

WASHOE REGIONAL BEHAVIORAL HEALTH POLICY BOARD - Requires the state to establish crisis stabilization centers in Clark & Washoe to address and treat people with mental illness, these centers would provide behavioral health services in lieu of hospitals or long term inpatient mental health facilities. Would serve all patients, regardless of ability to pay and require the centers to be open 24hr/day, 7 days a week.

AG - This bill makes significant updates to the opening meeting law. The changes include: a member of the public body can participate in a meeting via tele or video conference; at the discretion of the chair a member of the public who is the subject of an action item on the agenda may attend and participate in the public meeting by means of tele or video conference; updates the OML to allow for training regarding legal obligations of the OML without limitation, conducted by the Office of the Attorney General or the Commission on Ethics when the training is attended by 1 or more members of the public body, however the language clarifies that the training cannot be used to deliberate to a decision on any matter over which the public body has jurisdiction, supervision, control or advisory power over; expands the definition of when the OML would apply, including any public body as defined that is supported by tax revenue, or which advises and makes recommendations to any entity which expends or disburses or is supported in whole in part by tax revenue, including but not limited to, any board, commission, committee, subcommittee or other subsidiary as defined in NRS. This includes a body that is created by, a resolution, or other formal designation by such a body created by a statute of this State or an ordinance by local government, a resolution or an action by the governing body of a political subdivision of this State, a subcommittee or working group consisting of at least 2 persons who are appointed by a public body as described in this bill, a majority of membership of the subcommittee or working group are members or staff members of the public body that appointed the subcommittee, the subcommittee or working group is authorized to make a recommendation to the public body for the public body to take any action. Updates supporting material to apply to written records, audio recordings, video recordings, photographs and digital data. Mandates that the posted agenda must be approved by a quorum of the meeting, if not the chair must adjourn the meeting. A new provision regarding "closed" sessions, if a meeting is closed to consider character, alleged misconduct, or professional competence of a person, the name of the person whose character, alleged misconduct or professional competence must be listed on the agenda item announcing the closed session. At the discretion of the chair only, agenda items may be taken out of order. At the discretion of the chair the public body may combine two or more agenda items for consideration. This bill would require that any agenda item being considered for removal, must have the agenda in whole approved by the public body and then a subsequent vote must take place to remove the item. Mandates, that if a quorum of members receive supporting materials, as defined, a member of the public is allowed at no cost to have one copy of the supporting material at the time the information is provided to at least a quorum of the members of the public body. Requires counties of populations greater than 45k to post materials, including agenda and supporting materials on their website for the public to access. Requires that the public body shall approve minutes of a meeting within 45 days after the meeting or whenever the next meeting takes place, whichever

AB73	Provides for additional sources of funding for services and affordable housing for persons who are homeless or indigent. (BDR 32-461)	Committee on Taxation	Monitor	CITY OF LAS VEGAS - Raises a real estate transfer tax of \$.25/\$500 of value in Clark only. Proceeds go to the county and cities and must be used to provide services, including housing, for the homeless and indigent. Also enables a city to impose an additional fee on sewer service of \$25/unit with the City limits, and that fee has to be used for homeless/indigent.
AB75	Revises provisions governing public employees' retirement. (BDR 23-	Committee on Government		CONTROLLER - This bill makes changes to PERS, requires the establishment of a hybrid retirement accounts under the PERS system would be mandated in 2020 . CLARK/S. REGIONAL MENTAL HEALTH BOARD - Creates funding for a regional behavioral health coordinator for each of the Boards/Regions. Also changes to the S Behavioral Health Board including to membership and removes LINCOLN from the rural region and adds them to this Board; also puts additional mandates on all of the Boards including, to the extent feasible, storing data about their regions and coordinating with other entities about mental health issues; Asked the Chair for a potential amendment to create a 5th Board to include Nye, Lincoln, Mineral, and Esmeralda .
AB76	Revises provisions relating to regional behavioral health policy boards. (BDR 39-470)	Committee on Health and Human Services		
AB79	Revises provisions governing the collection of delinquent property taxes. (BDR 32-490)	Committee on Taxation	Support	CLARK COUNTY - Creates an expedited process for a county to sell property with delinquent taxes owed, if the property is determined "abandoned"; creates a new procedure for a county to use to determine if a property is abandoned.
AB81	Makes various changes relating to the oversight and provision of legal representation of indigent defendants in criminal cases. (BDR 14-436)	Committee on Judiciary	Monitor, PRIORITY	RIGHT TO COUNSEL COMMISSION - This bill was introduced as part of Indigent Defense Reform and the Right to Counsel Commission, the Commission is not happy with the bill and NACO and others currently working on an amendment.
AB82	Revises provisions relating to elections. (BDR 24-482)	Committee on Legislative Operations and Elections	PRIORITY, Support	NACO - update to primary system, reverting back the system to how it was conducted prior to a change in 2015. In 2015 Nevada law changed regarding primary elections. Prior to the passage of SB 499 (2015) if there were candidates of only one major party on the ballot the primary was carried out as follows: if there were two nominees from that party, both would advance to the general election; if there were more than two nominees from that party than either the top two vote getters would advance to the general, or, if one candidate received more than 50% of the vote then only that person would advance to the general. SB 499 changed the law so that, now, if a major political party has two or more candidates file for an office, and no candidates file from any other party, then the single top vote getter from the primary always advances to the general, thus deciding the race in the primary. AB 82 would return Nevada to the primary system in place prior to 2015, so that, if candidates from only one party have filed, general election voters decide the outcome of the election.

AB84	Provides for the issuance of state general obligation bonds to protect, preserve and obtain the benefits of the property and natural and cultural resources of the State of Nevada. (BDR S-326)	Committee on Ways and Means		GOV - In 2002 a statewide ballot question passed to allow the State to issue \$200million in bonds to use for to protect natural and cultural resources in NV; this bill would have the State issue an additional \$200million in bonds but the distribution of the proceeds will be different: 67mill to DCNR for grants for recreation and natural resources conservation including to local govts and for carson, truckee, and tahoe projects; 30mill to state parks; 30 mill for acquiring land to protect wildlife and to improve habitat; 30 mill to LV Springs Preserve; 10mill for Clark Wetlands Park and LV Wash; 30mill for history/culture incl RR Museum in Boulder City and Ely Depot Museum; 3mill to State lands for historic preservation.
AB85	Revises provisions governing mental health. (BDR 39-443)	Committee on Health and Human Services		NORTHERN BEHAVIORAL HEALTH BOARD This bill would clarify and standardize rules surrounding legal holds, known as Legal 2000s. Section 12 - requires additional regs be put in place re "a person alleged to be a person with mental illness should undergo a medical examination before the person is admitted to a mental health facility" (per existing statute, counties pay for these examinations); eliminating 24 hour window for determination, extends the date allowed to set a hearing on involuntary holding an individual, aligns with national standard and removes "clear and present danger" language substituting "substantial likelihood of serious harm" changes rules on disclosure of patient's medical records to assist w/ treatment. and would require hospitals to report 72-hour holds to the state so they can be tracked.
AB86	Revises provisions relating to governmental purchasing. (BDR 27-182)	Committee on Government Affairs		STATE PURCHASING/DEPT OF ADMINISTRATION - Changes to statute re local govt purchasing including: makes the NRS applicable to Metro; requires counties to keep a record of all bids, even those less than 25k and more than 50k (currently it is only those >25k); changes to local govt request for bid (solicitation); requires locals to award based on best price or best value for contracts 50k-100k; allows counties to receive online bids; increases the threshold for which counties are required to advertise contracts from 50k to 100k; increases the exemptions from the requirements of competitive bidding; authorizes local govts to dispose of property by donating it; Section 21 re joining other contracts .
SB10	Revises provisions governing compensation of members of a board of trustees of a general improvement district. (BDR 25-432)	Committee on Government Affairs		LEAGUE OF CITIES - Increases salaries for GID board members from up to 6k to up to 9k; and for other GIDS (318.140, 142, 144) from up to 9k to up to 12k; also changes the definition of "compensation" to "salary and wages"... existing law says that "no member of the board may receive any other compensation for his or her service to the district as an employee or otherwise" - this proposed definition change may allow for additional compensation for travel costs?
SB11	Revises the requirements to qualify for and maintain an exemption from certain regulations concerning building codes. (BDR 42-460)	Committee on Government Affairs		CITY OF LAS VEGAS - Applies to Clark only - re exemptions from State Fire Marshall bldg code International Fire Building Code regs are adopted within 3 years - expands to cities within Clark

SB23	Revises provisions relating to testing of blood samples under certain circumstances. (BDR 43-345)	Committee on Transportation	\$Maybe Fiscal Impact/ Unfunded Mandate\$	NHP - Expands ability of an arresting officer to require a blood test for any controlled substance; and blood alcohol tests performed in certain circumstances by coroners must now be tested for any controlled substance.
SB25	Revises provisions governing the administration of the surcharge imposed on telephone users. (BDR 20-442)	Committee on Government Affairs	Monitor	CITY OF RENO - Expands the allowed uses of 911 fees imposed by counties to include for personnel for maintaining and operating body cams and retention and redaction of body cam videos.
SB26	Revises provisions governing school financial administration. (BDR 31-398)	Committee on Government Affairs	Collective Bargaining	CLARK COUNTY SCHOOL DISTRICT - Re: collective bargaining, currently, for county union negotiations, an ending fund balance of 25% is not subject to negotiations; this bill would allow that an 8.3% end fund balance could not be negotiated on for school districts, currently it is 0% for school districts.
SB27	Revises provisions governing the Public Employees' Deferred Compensation Program. (BDR 18-233)	Committee on Government Affairs		STATE DEPT OF ADMINISTRATION - The Executive Officer of PERS can currently be appointed or removed by the Gov and the PERS Committee; this bill would remove the Committee's authority so that that authority would lie wholly with the Gov.
