

**Listing of Accounting Firms  
CARES Act Consulting Services  
July 2020**

The following are three firms that were contacted and expressed a willingness to provide Consulting Services related to CARES Act Coronavirus Relief Funds received by local governments in the State of Nevada. These firms have experience auditing Nevada local governments. There are additional firms not named below that maybe willing to provide these types of services as well. Each local government should determine whether they want to use a consultant to ensure compliance with CARES Act funding. CARES Coronavirus Relief Funds may be used to pay a consultant to track and help with fiscal compliance of the funds.
