Scalable

How we get there:

□ Collaboration and Partnerships

- **D** Efficient use of funds
- □ Long-term Investments

DIGITAL EQUITY

NTIA DIGITAL EQUITY ACT PROGRAMS

Funding pool \$2.75B

Three programs that provide funding to promote digital inclusion and advance equity for all. They aim to ensure that all communities can access and use affordable, reliable high-speed internet to meet their needs and improve their lives.

PROGRAMS HIGHLIGHTS

The Digital Equity Act created three programs:

State Planning

 \$60M formula funding program to develop digital equity plans

State Capacity

 \$1.44B formula funding program to implement plans
& promote digital inclusion

Competitive

 \$1.25B to implement digital equity and inclusion activities

Example eligible uses of funds across three programs include:

- Developing digital equity plans; states must develop a plan to be eligible for state capacity grants
- Implementing digital equity plans and related activities
- Making awards to other entities to help make digital equity plans
- Providing digital literacy and digital skills education
- Improving accessibility and inclusivity of public resources
- Facilitating the adoption of high-speed Internet

Digital Equity Act Planning Program

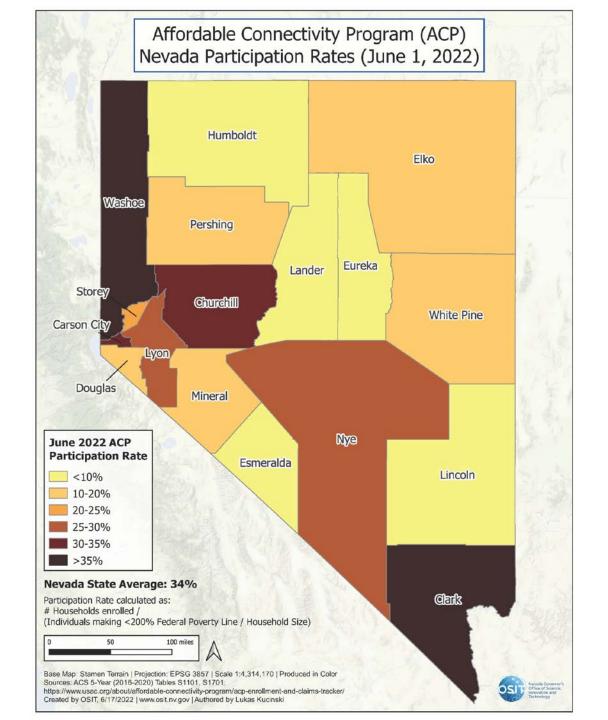

Statewide Digital Equity Plan - \$754,459 – September
