

Resolution

of the Nevada Association of Counties

RESOLUTION Commending Churchill County, Esmeralda County and Nye County for Hosting the 2011 NACO Annual Conference

Whereas, NACO holds an annual conference to provide its members with an opportunity to receive training and information on relevant issues, as well as to network with county officials and private sector partners from across Nevada, and

Whereas, this year's conference theme, "150 Years of Sustainability – Celebrating Nevada's Counties," celebrated the sesquicentennial of the creation of Nevada's original nine counties by the Nevada Territorial Legislature and included presentations and discussions that are of critical importance to Nevada's counties; by federal officials, legislators, Governor's staff, energy industry representatives, education leaders, financial experts and county officials, and

Whereas, Churchill County provided a superb setting for the 2011 Conference, and

Whereas, the support of Esmeralda and Nye Counties demonstrated a true spirit of cooperation, and

Whereas, building sustainable economies was highlighted by the host counties, providing locally produced energy and foods, and

Whereas, the 2011 Annual Conference provided an outstanding educational and social experience, and demonstrated the commitment of Churchill County, Esmeralda County and Nye County to furthering the goals of NACO, now

Therefore be it Resolved that the NACO Board of Directors, on behalf of all Nevada counties, congratulates Churchill County, Esmeralda County and Nye County for hosting a truly outstanding Annual Conference, and

Therefore be it Further Resolved that the NACO Board of Directors expresses its great appreciation to the commissioners and staff of Churchill County, Esmeralda County and Nye County for their dedication and efforts on behalf of our entire membership.

Passed, Approved and Adopted this 2nd day of December, 2011, by the Board of Directors of the Nevada Association of Counties.
