

2017 Legislative Session - Final Bill Tracker

CONFIDENTIAL

Bill	Description	Sponsor	Position	Note	Outcome
AB5	Provides for the creation of certain local improvement districts. (BDR 22-233)	Committee on Government		OFFICE OF ENERGY - (AMENDED 2) Applies to counties; enables municipalities to create districts to finance energy efficiency or renewable energy projects on private property; requires 2/3 vote; districts can bond	Approved
AB8	Revises provisions governing the collection of delinquent municipal utility charges. (BDR 21-323)	Committee on Government Affairs		LEAGUE - (AMNDED) A city can currently request collection of delinquent sewer fees through the county property tax bill. Expands this to say a city can collect delinquent fees for city utilities including sewerage, storm drainage or water service, or any combination of those services, through the county property tax bill.	Approved
AB16	Revises provisions relating to cooperative extension programs. (BDR 49-440)	Committee on Natural Resources, Agriculture, and Mining	Support, PRIORITY	NACO - (AMENDED) UNCE Bill; requires NSHE / UNR to report to NV Ledge on: UNCE program; funding for program; MOUs with counties; and county vs state activities. Requires NSHE to match the county contribution to the UNCE program; amended to clarify that the match is to the aggregate of all county funds; to add a five year average to the amount the state must match; changed all references to "dept." to "program"; the draft changed NSHE to UNR, the Amendment changes references to UNR back to "NSHE"	Died
AB21	Makes various changes relating to elections. (BDR 24-2)	Committee on Legislative		SOS - (AMENDED 2) Changes to residency and other requirements for candidates for office; changes to penalties for breaking residency requirements.	Approved
AB29	Revises provisions governing off-highway vehicles. (BDR 18-220)	Committee on Transportation		DCNR - (AMENDED) Moves the Commission on OHVs to DCNR; changes the Commission makeup; lowers the late charge for registration renewals to \$10; requires the Commission on Off-Highway Vehicles to evaluate the statutory presumption that an off-highway vehicle is prohibited from operating on a paved highway unless authorized to do so; the Commission is required to survey local governmental entities and other interested parties to solicit input; the Commission is required to submit any recommendations for proposed legislation next Session	Approved
AB31	Revises provisions relating to the Specialist for the Rights of Elderly Persons and the Community Advocate for Elder Rights. (BDR 38-130)	Committee on Health and Human Services		AGING AND DISABILITY SERVICES (HEALTH AND HUMAN SVCS) - There exists an office of rights of the elderly, this bill changes that to an attorney for disabled older people and expands the position to include services and legal advocacy; this bill also expands the duties of the Community Advocate for Elder Rights to include persons less than 60 yrs old who do not reside in facilities for long term care.	Approved
AB32	Revises provisions governing pest control. (BDR 49-176)	Committee on Natural Resources,		NV DEPT OF AG - (AMENDED) Expands/makes changes to the licensing requirement for government agencies and their employees to use pesticides; also creates additional licensing requirements for those in the private sector who do pest control.	Approved
AB34	Revises provisions relating to government land. (BDR 26-179)	Committee on Natural Resources, Agriculture, and Mining		STATE LANDS - (AMENDED 2) Changes re appraisals for selling county land - the appraiser cannot 1) have an interest in the land; 2) be related by more than 2nd degree consanguinity to a person with an interest in the land in a county smaller than 45k, and for counties larger than 45k the 3rd degree of consanguinity; other changes to the Div. of state lands including removing the requirement that State Lands has to gather and distribute data to local govts that includes statewide population and economic trends, transportation, conservation and recreation, rural and urban development, health and local govt services, and geology; state lands still may, as they are able, compile a list of federal lands needed by local govts and the state, and other functions; deletion of NRS 321.570-590 re the Lincoln County Pilot Land Development and Disposal Fund	Approved
AB40	Makes an appropriation to assist with the construction of a new courthouse in White Pine County. (BDR S-402)	Committee on Ways and Means	PRIORITY, Support	NV SUPREME COURT (WHITE PINE COUNTY) - Appropriates \$10 million to build a new courthouse in White Pine County.	Died
AB43	Revises provisions governing the partial abatement of taxes levied on residential and other property. (BDR 32-441)	Committee on Taxation	PRIORITY, Support	NACO - Fixes the secondary calculation for the 3/8% caps on property tax - makes two changes: 1) creates a rolling average of ten years for the calculation of CPI in the formula; creates a floor of 3% below which neither of the caps can drop.	Died

2017 Legislative Session - Final Bill Tracker

CONFIDENTIAL

AB45	Revises provisions relating to public office. (BDR 24-426)	Committee on Legislative Operations and Elections	Elections	SOS - (AMENDED 2) Changes to voter registration deadlines; changes to campaign finance requirements; changes to initiative petitions; changes to filing campaign finance reports: in an election year, reports filed on a quarterly basis; and nonelection years, annual reports will be filed not later than January 15th.; other changes including itemization of campaign expenses	Approved
AB50	Revises provisions relating to the imposition of certain fees, civil penalties and administrative fines by the State Environmental Commission. (BDR 40-181)	Committee on Natural Resources, Agriculture, and Mining		NDEP - (AMENDED) This bill creates a separate account in the State General Fund for administration of community and public water systems. It increases civil penalties (\$5,000 to \$25,000 per day) and administrative fines (\$2,500 to \$5,000) for public water systems. It also allows the PUC to establish reasonable fees to adopt and administer regulations, and the State Environmental Commission to adopt regulations and establish fees to review subdivision maps for water planning.	Approved
AB57	Revises provisions relating to coroners. (BDR 20-375)	Committee on Government		AG - (AMENDED 2) Re coroner's notification of next of kin and providing info to families	Approved
AB65	Revises provisions relating to medical care for indigent persons. (BDR 38-438)	Committee on Health and Human Services		CLARK COUNTY - (AMENDED) Authorizes Clark and Washoe to use money from their funds for medical assistance to indigent persons to provide supplemental payments to public hospitals in the county; and in Clark county to use the fund to make grants to any public hospital in the county for the construction or acquisition of capital assets and the renovation of facilities.	Approved
AB79	Revises provisions relating to economic development. (BDR S-404)	Committee on Government		CITY OF NORTH LAS VEGAS - (AMENDED) Removes the designation of the Las Vegas Valley Water District and the SNWA as the exclusive providers of water service for the Garnet Valley Ground Water Basin (Apex) in Clark County	Approved
AB86	Lowers the minimum age at which a person is authorized to gamble and engage in certain other related activities. (BDR 41-37)	Wheeler		Makes the gambling age 18 instead of 21	Died
AB97	Revises provisions relating to evidence collected from and the reimbursement of payment for forensic medical examinations of victims of sexual assault. (BDR 15-538)	Assemblymen Benitez-Thompson and Yeager; Senator Ford		(AMENDED 2) Law enforcement agencies must submit SAFE kit (forensic evidence of victims of sexual assault) to labs within 30 days, requires the lab to test the kit w/in 120 days; requires labs to participate in reporting. Requires the AG to establish a statewide program to track SAFE kits and requires reporting and additional oversight; also requires each law enforcement agency, prosecutor, forensic laboratory and provider of health care who performs forensic medical examinations in this State to participate in the program. Allows the Fund for the Compensation of Victims of Crime to be used to pay counties for the cost of forensic examinations incurred by a county up to \$10,000/year or 10 examinations, whichever is less	Approved
AB100	Revises provisions governing contractors. (BDR 28-194)	Swank	Oppose	(AMENDED) Changes the law to allow contractors on public works jobs to make claims for damages or work changes caused by the county/public body; contractors may also make claims for causes outside the control of the public body	Died
AB101	Revises provisions governing the management of wildlife. (BDR 45-187)	Sprinkle		(AMENDED 3) Currently NDOW is charged with creating policies to manage of wildlife, amongst other duties - this bill adds "conservation" of wildlife to that charge. Also expands what the \$3 fee collected on tags and distributed to the Wildlife Account may be used for. Currently the fee is used for protection of species and managing predators; the bill would also allow those funds to be used for enhancement of habitat of game mammals and wildlife. (adds additional uses to the money that is used for predator control for wildlife). Requires the Commission to adopt policies for predatory or wildlife management activities or research and must submit to the Legislature a report summarizing the results of programs, activities and research	Vetoed

2017 Legislative Session - Final Bill Tracker

CONFIDENTIAL

AB109	Revises provisions relating to public utilities. (BDR 58-622)	Assemblyman Ellison; Senator Goicoechea		(AMENDED) Currently, the PUC holds one session per year, in both Clark and Washoe, allowing the public to provide general comments on issues related to public utilities. The bill requires one annual session to be held in Elko as well. Also requires the consumer advocate to intervene on behalf of the public when any rate case is filed by a water/sewer utility that has revenue over \$2million, in rural counties	Died
AB113	Requires certain employers to make certain accommodations for a nursing mother. (BDR 23-7)	Spiegel		(AMENDED) Pursuant to federal law employers are required to provide break time and a private place for employees for a nursing mother to express breast milk until 1 year after a baby is born. This bill changes NV law to similarly require employers to provide break time and "a clean, private place, other than a bathroom" for nursing mothers; also prohibits retaliation and a complaint process through the Local Govt Employee-Management Relations Board.	Died
AB114	Revises provisions governing irrigation districts. (BDR 48-639)	Titus		Increases the amount of debt that irrigation districts can have, and the amount of assessments that the districts can make per acre. Also allows those amounts to increase annually based on a formula.	Died
AB120	Revises provisions relating to school construction. (BDR 34-779)	Daly	Oppose	Authorizes school districts over 55k (Clark and Washoe) to request that the county commission impose a residential construction tax of max \$1600/residential unit for school construction - if the tax is requested by the district, the BCC MUST approve it unless they can make a finding that "the request is not justified". The bill also requires the school board to submit an impact statement to the BCC for each proposed new development project. Currently for each tentative map submitted by a developer of a subdivision the school may request a site for a school - this bill adds that the location and physical characteristics of the site must also be appropriate for a school and gives the district ability to challenge the selection of the site and allows an independent third party to determine suitability of the site if needed; also gives the SD additional authority to negotiate the infrastructure costs; extends the amount of time the SD has to use the site.	Died
AB121	Makes various changes relating to collective bargaining between local government employers and employee organizations. (BDR 23-621)	Yeager	Oppose	Restores evergreen provisions and includes that any regular increases in pay or benefits must also automatically apply after an agreement has expired and before a new one is in place. Also adds that if a new contract increases benefits they must apply retroactively to the time between expiration of last agreement and approval of new agreement. Requires that providing leave to employees for union business is mandatory, and that payment by the union for leave is not required as it is deemed a concession in lieu of pay.	Died
AB130	Revises various provisions relating to guardianships. (BDR 13-524)	Sprinkle		PUBLIC GUARDIANS - (AMENDED 4) Changes to notifications to guardianship proceedings; changes to the sale of personal property of a Ward; allows the court to require that the guardian prepare a care plan and budget for the Ward; creates the State Guardianship Compliance Office; Officer appointed by the Supreme Court and serves at the pleasure of the Court; and two accountants and two investigators to provide auditing and investigative services to the district courts during the administration of guardian proceedings; provides an appropriation for the office	Died
AB134	Revises provisions governing exemptions of certain special districts from certain requirements of the Local Government Budget and Finance Act. (BDR 31-562)	Hansen	PRIORITY, Support	(AMENDED) Special districts are authorized to seek exemptions from certain auditing and budget requirements if their annual total expenditures are less than \$200,000 - this bill increases that amount to \$265,000.	Approved
AB135	Revises provisions relating to prohibited acts concerning the use of marijuana and the operation of a vehicle or vessel. (BDR 43-598)	Committee on Judiciary		(AMENDED) Removes the specified amounts of marijuana and marijuana metabolite that have to appear in a person's urine to prove they are driving under the influence; specifies the amount of marijuana in a person's blood above which driving is illegal.	Died

2017 Legislative Session - Final Bill Tracker

CONFIDENTIAL

AB136	Revises provisions governing bail in certain criminal cases. (BDR 14-708)	Neal		(AMENDED) Gutted and includes: Existing law sets forth certain factors which the court must consider in deciding whether there is good cause to release a person without bail. Section 2 of this bill includes in those factors the consideration of whether one or more conditions can be imposed on the person to mitigate the risk of failure to appear or the risk to public safety and authorizes the court to use an evidence-based risk assessment tool, if available.	Vetoed
AB138	Authorizes the de minimus collection of precipitation under certain circumstances. (BDR 48-445)	Carlton		(AMENDED 2) Allows for the collection of small amounts of rainwater from rooftops for domestic use and in guzzlers for wildlife without a water right or permit.	Died
AB140	Revises the boundary line between Carson City and Washoe County. (BDR 5-696)	Kramer		Revises the boundary line between Carson City and Washoe County.	Died
AB143	Creates a Legislative Committee on Tax Expenditures and Incentives for Economic Development. (BDR 17-807)	Bustamante Adams	Support	(AMENDED) Creates a Legislative oversight committee of economic development related tax expenditures and abatements including the impacts of abatements to county revenues and services; the Committee will create a report that comments on abatement's and other programs and makes recommendations for modification or elimination - same language added into another bill	Died
AB150	Revises provisions governing private professional guardians. (BDR 13-808)	Sprinkle		(AMENDED 2) Tightens regulations re professional guardianship companies. Removes the requirement that public guardians have to be licensed individually but can work for an entity that is licensed; provisions re fingerprinting guardians; other changes in regulations re private professional guardians; courts can only appoint guardians/guardianship companies that meet certain criteria; requirements re bonding.	Approved
AB151	Provides for the voluntary training of law enforcement dispatchers. (BDR 23-767)	Carlton		(AMENDED) Requires that POST create a voluntary certification process & basic standards for police dispatchers.	Approved
AB152	Revises various provisions governing the investment of public money. (BDR 31-782)	Kramer		Removes the prohibition re local governments and others using "reverse repurchase agreements" - which are investment tools used by governments. Also adds regulations on how they may be used.	Died
AB153	Requires counties to pay impact fees to certain local governments for certain costs incurred as a result of projects of intercounty significance. (BDR 22-796)	Assemblymen Daly, Sprinkle, Benitez- Thompson and Joiner; Senator Ratti	Oppose	Requires counties to determine whether large development or commercial projects or projects with certain defined impacts are of "inter county significance". If they are then the county must coordinate with other local governments in the region in order to mitigate impacts to schools, roads, facilities, public safety, etc. The impacted local governments must prepare "impact statements" that include costs that will be incurred as a result of the project, that must be submitted prior to the issuance of the permit for the project. Also, the county must compensate the other local governments for impacts and may assess impact fees on the project. Includes processes for negotiations between the county and the impacted governments. Retroactive.	Died
AB154	Revises provisions relating to prevailing wages. (BDR 28-747)	Assemblymen Brooks, Spiegel,		(AMENDED) Changes to prevailing wage, as amended only applies toe NSHE and schools.	Vetoed
AB159	Prohibits hydraulic fracturing in this State. (BDR 46-593)	Assemblymen Watkins, Swank		(AMENDED) Bans fracking in Nevada	Died
AB161	Revises provisions relating to certain rental agreements. (BDR 10-733)	Flores		(AMENDED 2) Requires that a rental agreement is notarized - for single family residential.	Approved
AB169	Revises provisions governing certain fees collected by county recorders. (BDR 20-832)	Jauregui, Brooks and Carrillo		(AMENDED 2) for recording documents \$10 for first page, \$1 for additional pages, \$25 for recording a doc and \$1 for copying each page. Also, allows recorders to accept documents for recording that have non conventional formatting or size. Also increases the technology fee that recorders can charge per document from \$3 to \$5.	Approved

2017 Legislative Session - Final Bill Tracker

CONFIDENTIAL

AB176	Establishes certain requirements for the operation of seasonal or temporary recreation programs. (BDR 38-702)	Frierson, Cohen, Diaz, Flores, Jauregui and		(AMENDED 2) Increases regulations on seasonal recreation programs for kids including: background checks for the operators, someone on site proficient in CPR, record keeping re the kids, and penalties for failing to comply.	Approved
AB178	Revises provisions concerning employment discrimination. (BDR 18-831)	Jauregui, Araujo, McCurdy II and Brooks		Increases to two years the time within which an employee has to bring a claim for unfair employment practices; authorize the commission and district court to award atty fees to an aggrieved employee; increases required records kept on employee wages and employment terms to 5 years; prohibits discrimination for discussing or disclosing wages; adds regulations regarding discrepancies in pay and requires employers to justify discrepancies.	Died
AB193	Requires the fluoridation of water in certain circumstances. (BDR 40-716)	Joiner and Sprinkle		Requires Fluoride be put in the water system in Washoe County.	Died
AB201	Creates the Office of the Inspector General in the Office of Finance in the Office of the Governor. (BDR 18-548)	Edwards		Creates a state inspector general to "investigate, audit and review the operation and management of each state agency and local government to determine whether any act or omission amounting to fraud, waste, abuse or corruption has occurred or may occur within that state agency or local" government"; authorizes law enforcement to provide assistance; the inspector general can issue subpoenas; order cease and desists; request injunctions; order employees to hearing officers for possible termination etc..	Died
AB203	Revises provisions governing cemeteries. (BDR 40-723)	Assemblywoman Joiner; Senator Ratti		(AMENDED) Limits the power of cemetery authorities regarding disinterment if a cemetery is in disrepair; changes to requirements re disinterment; requires cemetery owner to maintain cemeteries and if they do not and there is a health and safety issue with the cemetery a court may order transfer ownership of the cemetery to the city or county.	Approved
AB204	Provides that marriage licenses and certificates of marriage may include the name to be used by each spouse after the marriage. (BDR 11-743)	Assemblymen Tolles, Bilbray-Axelrod, Bustamante		(AMENDED 2) Currently the legal names that were given when applying for marriage licenses are also used on the marriage certificate after the couple is married, and couples are then responsible for going through a separate process for legal name change if they choose to do so. This bill would mandate that the Clerks include on the certificate a last name that the couple chooses within certain parameters.	Approved
AB205	Revises provisions relating to cremation. (BDR 40-649)	Araujo		(AMENDED 2) Expands the definition of cremation to include "alkaline hydrolysis" a water based process for reducing human remains. Requires alkaline hydrolysis crematoriums to meet the same zoning requirements as regular crematoriums but provides for an exemption if the local govt approves; requires notification if the process will be used, to the state and the local wastewater provider	Approved
AB207	Revises provisions governing juries. (BDR 1-648)	Fumo, Miller, Ohrenschall, Thompson, McCurdy II,		(AMENDED 3) Re jury selection - adds a process whereby the jury commissioner for each district court has to maintain a list of potential jurors from: registered voters; the DMV; DETER including those who receive benefits; and utilities, also requires the commissioner to keep a record of the name, address, job, and race of each trial juror selected that appears, and submit to the court administrator 1x/yr.	Approved
AB224	Revises provisions relating to persons with disabilities. (BDR 39-780)	Carrillo		(AMENDED 3) Creates the definition of developmental disability and changes to employment and other sections of statute related to those with developmental disabilities, NACO offered an amendment to remove visual and hearing impaired from being added to the definition	Approved
AB226	Revises provisions relating to elections. (BDR 24-88)	Hansen, Ohrenschall, Daly and Diaz		(AMENDED) Reverses some of the changes made in 2015 re primaries - If there is ay major party with multiple candidates then the highest vote getter for that party plus all others (independent and non partisan) go on the ballot at the general.. If only one major party has multiple candidates and there are other candidates fr independent, then there is a primary for the major part and a general for the winner and the others. If there are only major party candidates filed and no others THEN if there are only two they go to the general, and if there are more than two then there is a primary and the top two vote getters go to the general. For non partisan judges they currently have a primary and the top two go on to general except if one gets more than 50% of the votes then that person wins - changes these races so that the top two always go to the general.	Died

2017 Legislative Session - Final Bill Tracker

CONFIDENTIAL

AB241	Requires baby changing tables be included in certain buildings and facilities used by the public. (BDR 22-861)	Frierson, Watkins, Araujo and Bilbray-Axelrod		(AMENDED 2) Requires counties and cities to change their building codes to require that public restrooms in new buildings include baby changing TABLES; for counties that do not have building codes, the county still must adopt this requirement into their ordinances; either the building code or the ordinance must have an exception for buildings where people under 18 are not permitted.	Approved
AB246	Revises provisions relating to the creation of a local improvement district and tax increment area. (BDR 22-705)	Kramer, Benitez-Thompson, Daly, Hansen and Titus	Support	(AMENDED) Authorizes counties to enter into Interlocal agreements across county lines. Does the same for cities.	Approved
AB249	Requires the State Plan for Medicaid and all health insurance plans to provide certain benefits relating to contraception. (BDR 38-858)	Frierson, Bilbray-Axelrod, Sprinkle, Benitez-		(AMENDED 4) Mandates that all health plans cover contraception; requiring all public and private health insurance plans made available in this State to provide coverage for certain benefits relating to contraception without any copay, coinsurance or a higher deductible.	Approved
AB259	Revises provisions relating to certain criminal convictions and sentences. (BDR 14-657)	Assemblymen McCurdy II,		(AMENDED 2) Allows for court to vacate and seal and MJ misdemeanor committed 2017 or forward; and decreased sentencing for MJ crimes	Vetoed
AB267	Revises provisions governing industrial insurance. (BDR 53-650)	Assemblymen Araujo, Carlton, Frierson, Daly, Fumo, Jauregui,	Oppose	(AMENDED 2) Potentially increases county liability for heart and lung benefits: Currently heart and lung diseases are presumed caused in the line of duty for police and fire; amongst other things this bill would allow heart and lung claims for temporary total disability to be based on an injury that caused an employee to miss no days of work (currently 5 days).	Approved
AB271	Revises provisions governing collective bargaining by local government employers. (BDR 23-290)	Carrillo	Oppose	Mandates that paid leave for performing union duties is a subject of collective bargaining; for county employee negotiations, makes the findings of dispute submitted to a fact finder final and binding; re disputes involving fire and police, findings of fact finders in a dispute are not binding but the bill requires the fact finder to make a recommendation for resolution in lieu of an award; abolishes fact finding panels; also, unless the terms of the agreement between a local government employer and an employee organization provide otherwise, if the local government employer agrees to provide leave for union work, there is a rebuttable presumption that the full cost of such leave has been offset by the value of concessions made by the employee organization	Vetoed
AB272	Revises provisions relating to elections. (BDR 24-851)	Frierson, Benitez-Thompson, Diaz, Carlton, Flores, Araujo, Bilbray-		(AMENDED 3) Authorizes Clerks to establish central polling places where all can vote and creates procedures for that; require at least one election day and early voting polling place within each tribal area if certain requirements are met; enables clerks to provide sample ballots in other languages; changes to early voting including authorizing clerks to extend early voting to the Sunday prior to election day	Vetoed
AB276	Revises provisions relating to employment practices. (BDR 53-289)	Assemblymen Spiegel, Joiner, Diaz, Bilbray-		(AMENDED 2) Makes it against the law to discriminate against any employee for discussing or disclosing his/her wages or the wages of another, excepting those employees who have access to information on wages as part of their essential job function. Also makes changes to non competes.	Approved
AB277	Revises provisions governing land use planning. (BDR 22-954)	Assemblymen Yeager, Frierson, Ohrenschall, Watkins, Oscarson, Araujo, Benitez-		(AMENDED) Re Development around Red Rock NCA: creates a statewide overlay for areas adjacent to National Conservation areas that subjects local governments to strict limitations and standards re development in these areas; this law would also apply to areas within 1/2 mile adjacent to NCAs excepting land under development agreement, owned by non profits, or utilities; provides uniform statewide standards for these lands; projects may be built in these areas but they are subject to NEPA and have to have a hearing considering the EIS by the local govt and have to meet certain criteria related to potential impacts. Provides for judicial review for local govts that don't comply	Vetoed
AB290	Makes certain changes relating to collective bargaining. (BDR 23-35)	Wheeler, Kramer, Hambrick and Ellison	Neutral	(AMENDED) Gutted and the bill and adds: provisions re paid leave for union duties - any leave already bargained upon and granted will be made permanent, and any future additions, or leave for new organizations must be bargained on	Vetoed

2017 Legislative Session - Final Bill Tracker

CONFIDENTIAL

AB291	Revises provisions relating to reports of presentence investigations and general investigations. (BDR 14-1076)	Ohrenschall		(AMENDED) Re PSIs - the reports must include the sources of information in the reports including verification of financial information; recommendations for sentencing must also include any scoring; the Division must afford an opportunity to the attorneys to object to factual errors in the reports; and authorizes the court to order the Division to correct the contents of any such report following sentencing of the defendant if the prosecuting attorney and the defendant stipulate to correcting the contents of any such report within 180 days	Approved
AB297	Requires certain local governments to designate sites for persons to meet in order to complete the sale of personal property that was initiated on the Internet. (BDR 20-765)	Jauregui and Ohrenschall	Neutral	(AMENDED 2) requires each county, city or town to designate one or more police/Sheriff stations as a site at which two or more persons may meet to complete the sale of personal property that was initiated on the Internet; county is removed from liability for any incidents that occur at these meetings	Approved
AB298	Revises provisions relating to water. (BDR 48-735)	Committee on Natural Resources, Agriculture, and Mining		(AMENDED) This Bill addresses water rights conflicts and new applications for water rights, as well as the use of groundwater for interbasin water transfers. It Creates definitions for "perennial yield," "environmentally sound", "unappropriated water", and "domestic well" which define the criteria for the use of groundwater for an interbasin transfer of water and for a monitoring, management, and mitigation plan. The State Engineer may consider a monitoring, management, and mitigation plan, with specific requirements including Applicant responsibilities, that would eliminate a water rights conflict instead of outright rejecting an application that without such a plan will conflict with existing rights.	Died
AB300	Revises provisions governing vocational rehabilitation. (BDR 53-759)	Cohen	Oppose	Doubles the time periods for required vocational rehabilitation programs for injured employees.	Died
AB303	Requires that core correctional services be provided only by the State or a local government with certain exceptions. (BDR 16-1103)	Assemblymen Monroe-Moreno, Ohrenschall,		(AMENDED) Requires that core functions for all local and state prisons and jails be public - prohibits privatization. Looks like it also makes all private contracts for operation of prisons unenforceable.	Vetoed
AB310	Revises provisions governing public administrators. (BDR 20-103)	Titus	Neutral	(AMENDED) "a public administrator who does not receive a salary pursuant to NRS 245.043 Is entitled to receive annual compensation, for the costs and expenses incident to a public administrator as set by the board of county commissioners and paid out of the county fund; and May retain all fees provided by law received by him or her as public administrator."	Approved
AB311	Revises provisions governing allocation and distribution of proceeds of certain taxes to local governments. (BDR 32-647)	Assemblywoman Titus; Senator Settelmeyer	Oppose	Bill to distribute more CTax to Fernley.	Died
AB317	Revises provisions governing limitations on conducting business using certain fictitious names. (BDR 52-1019)	Spiegel		(AMENDED) This bill prohibits a person from adopting a fictitious name which imitates the name of a governmental agency or entity of this State, another state or the United States	Approved
AB319	Revises provisions governing the guardianship of minors. (BDR 13-502)	Assemblyman Sprinkle; Senator Harris		(GUARDIANSHIPS AMENDED) Adds a new chapter to NRS re guardianships of minors; creates court appointed guardians for minors that will be compensated; other changes to the process for appointing guardians for minors, and minors with medical issues; creates rules re the poser of those guardians; addresses visitation, child support.	Approved
AB321	Authorizes a county or city to require a hosting platform and certain users of hosting platforms to provide certain reports and information to a county or city. (BDR 20-1138)	Swank, Araujo, Bustamante Adams, Carlton, Carrillo, Daly,		(AMENDED 2) Authorizes counties to adopt an ordinance requiring Air BnB to make quarterly revenue reports.	Approved

2017 Legislative Session - Final Bill Tracker

CONFIDENTIAL

AB364	Directs the Department of Transportation, in cooperation with Clark County, the City of Las Vegas, the City of Henderson and the Regional Transportation Commission of Southern Nevada to conduct an interim study concerning roadway traffic and safety. (BDR S-1115)	Assemblymen Ohrenschall, Carrillo, Carlton and Thompson; Senators Manendo and	(AMENDED) Clark only. Requires a transportation study in Clark County "in cooperation with" Clark, CLV, Henderson, SNVRTC.	Vetoed
AB365	Revises provisions relating to marriage. (BDR 11-1020)	Cohen and Swank	(AMENDED 2) Amended to include changes to process for marriage officiants and requires the clerk to establish and require a course for marriage officiants. This Bill requires a county clerk to issue a certificate of vow renewal on request; A board of county commissioners may adopt any ordinance to carry out the provisions of the section, and if they do the county clerk may collect a fee to cover the cost of preparing the certificate; a clerk may revoke a license to perform marriages under certain circumstances	Approved
AB366	Creates four behavioral health regions in this State and a regional behavioral health policy board for each region. (BDR 39-987)	Assemblymen Araujo, Bustamante Adams, Frierson, Thompson, Sprinkle, Frierson,	Support (AMENDED) Creates regional behavioral health boards Southern, Rural and Northern, and Washoe, with representation from counties and behavioral health specialists and others, to make recommendations on how to improve behavioral health. Each Board gets a bill draft. Northern is Carson City and the counties of Churchill, Douglas, Lyon, Mineral and Storey; Washoe is just Washoe, Rural is: Elko, Eureka, Humboldt, Lander, Lincoln, Pershing and White Pine; and Southern is Clark, Esmeralda and Nye	Approved
AB374	Requires the Department of Health and Human Services, if authorized by federal law, to establish a health care plan within Medicaid for purchase by persons who are not otherwise eligible for Medicaid. (BDR 38-881)	Araujo, Carlton, Cohen, Elliot Anderson, Benitez- Thompson.	(AMENDED) Requires the Department of Health and Human Services to make coverage through the Medicaid managed care program available for purchase.	Vetoed
AB375	Allows the imposition of certain taxes, fees, rates, charges, levies or assessments in a county to fund approved flood management projects of a flood management authority based on the recommendations of a flood control project needs committee. (BDR S-473)	Sprinkle, Benitez- Thompson, Joiner and Daly	(AMENDED) Authorizes the governing body of a flood management authority to establish a "needs committee" to explore imposition of taxes for consideration on the ballot in 2018; various forms of taxation may be considered; if the recommendation is given to the BCC, they shall put the question on the ballot; authority to appoint the needs committee expires in 2018	Approved

CONFIDENTIAL

AB379	Authorizes certain local governments to create a parks, trails and open space district. (BDR 25-211)	Joiner	PRIORITY	(AMENDED 2) Original bill created GIDs that could be within 7 miles of cities, for recreational purposes. The new version creates a new chapter of NRS is the Nevada Parks, Trails and Open Space District Act these entities are modeled after and are basically GIDs, quasi-municipal political bodies with powers that are "broadly construed"; the governing bodies of cities, counties or towns may create these; they have full bonding authority, can accrue debt, assessments and fees and raise property taxes; they can be partially within another jurisdiction and the primary jurisdiction shall have the authority to create them and they can also be noncontiguous; all included jurisdictions must enter into an interlocal agreement with the primary jurisdiction and the agreement must be approved by the other jurisdiction's governing body prior to the approval by the primary body of the jurisdiction of the district; a service plan must be created and approved, analyzing purpose, and costs and proposed services undertaken by the district, before the district can be created, and changes to the plan have to be approved by the initial governing body; the districts can own, maintain and operate facilities and buildings including concert halls, piers and marinas, design and compile reports, take on wildfire reduction efforts as well as conservation and restoration efforts, and buy land and hire employees; requires public hearing to raise fees. NACO worked closely with the sponsor to address initial concerns with the language.	Approved
AB380	Revises provisions relating to real property. (BDR 10-340)	Assemblyman Yeager; Senators Cannizzaro, Denis, Ford.		(AMENDED 2) Enables property owners to record an easement for pedestrian public use of their property and that such an easement is within an owner's control and by permission - so, an owner can create an easement, granting pedestrians access, but also retains their right to revoke that easement at any time; a property owner can post a sign saying that such an easement exists and a county can enact an ordinance governing signage for pedestrian easements	Approved
AB384	Revises provisions governing the consideration of the criminal history of an applicant for employment by the State or a county, city or unincorporated town. (BDR 23-33)	Assemblymen Thompson, McCurdy II, Flores, Araujo, Carrillo, Bilbray-Axelrod, Brooks, Bustamante Adams, Carlton, Dalv, Frierson	Neutral	(AMENDED 2) "Bans the box" for all jurisdictions - criminal history may not be considered until the final phase of the government employment application process, and misdemeanors without jail time, convictions that are sealed, and arrests without conviction should never be considered, and only charges committed can be used. Exempts peace officers, fire fighters, and court employees. Additionally, if the criminal history of an applicant is used as the basis for rejecting the applicant or rescinding a conditional offer of employment extended to the applicant, the county or city must provide to the applicant a written statement which must specifically state that the reason for the rejection of the applicant or rescission of the conditional offer of employment was based on criminal history; an opportunity to discuss the denial shall be provided and any appeal of a removal of an offer based on criminal record can go to the NV Equal Rights Commission	Approved
AB392	Revises provisions concerning certain communications relating to elections. (BDR 24-85)	Oscarson, Ellison and Wheeler		(AMENDED) If a communication is published in support of or in opposition to a candidate and the communication includes the official name and address or other official contact information of a governmental entity, the communication must disclose that they do not endorse the message	Approved
AB396	Revises certain provisions relating to public officers and candidates for public office. (BDR 17-893)	Daly		Changes to the provisions governing gifts from lobbyists to legislators; changes to financial reporting - to the period prior to election that an elected official has to report on.	
AB397	Makes an appropriation for grants to local governmental entities and nonprofit organizations for certain family planning services. (BDR S-856)	Frierson, Carlton and Carrillo		Makes an appropriation for grants to local governmental entities and nonprofit organizations for family planning services. EXEMPT	Approved
AB407	Designates the state land grant institutions in this State and requires a legislative audit of cooperative extension programs. (BDR 49-1162)	Diaz	Oppose	(AMENDED 2) Declares UNLV and DRI to have land grant status. Requires an audit be performed of UNCE by the Legislative Auditor	Vetoed

CONFIDENTIAL

AB417	Creates the Nevada Main Street Program within the Office of Economic Development in the Office of the Governor. (BDR 18-1053)	Swank	Support	(AMENDED 2) The Program is designed to provide state-level coordination with the National Main Street Center, Inc., which is a wholly owned subsidiary of the National Trust for Historic Preservation. Allows tourism to create a program and give designation as a "Main Street" so that jurisdictions (cities and counties) can be eligible for grants and designation for preservation-based economic development and community revitalization	Approved
AB418	Revises provisions relating to elections. (BDR 24-750)	Committee on Legislative Operations and		(AMENDED 3) Provisions protecting voters from having to reveal how they voted; clarifies who can inspect ballots; removes provision that recounts are of 5% of ballots and instead requires a recount of all ballots and that they are counted electronically; changes to why an election may be contested.	Approved
AB422	Revises provisions relating to the use of marijuana. (BDR 40-983)	Araujo	Neutral	(AMENDED 2) Preemption language added to restrict county ordinances re packaging, labeling, testing dosage, seed to sale tracking, dosage potency type of products sold, one transportation; also includes 3% cap on bus lic fees. Also language re patient registry/medical marijuana	Approved
AB446	Creates the Committee to Evaluate Higher Education Programs. (BDR S-1030)	Cohen		Additional oversight of NSHE	
AB448	Revises provisions relating to the carrying of a loaded rifle or shotgun and the discharge of a firearm on certain highways and roads. (BDR 45-	Committee on Natural Resources,		This Bill allows a person to shoot a gun from a vehicle to hunt any species that does not require a license or permit on certain roads; Requires the board of county highway commissioners to determine which main, general and minor county roads would apply.	Died
AB449	Establishes Public Lands Day in the State of Nevada. (BDR 19-770)	Committee on Ways and Means		(AMENDED 2) Establishes Public Lands Day in the State of Nevada and free camping in celebration of that day	Approved
AB458	Revises provisions governing industrial insurance. (BDR 53-489)	Committee on Commerce and Labor		(AMENDED) Changes situations when injured employees are entitled to an independent medical exam, including when disputes arise, with limitations; changes to vocational rehab and appointment of voc rehab counselors; limitations on lump sum awards; changes to eligibility for temporary total disability after retirement	Approved
AB471	Creates the Nevada Office of Cyber Defense Coordination. (BDR 43-917)	Committee on Judiciary		(AMENDED 2) This Bill establishes the Nevada Office of Cyber Defense Coordination and authorizes an Administrator appointed by the Director of the Department of Public Safety. The Office is required to establish partnerships "to assist and receive assistance from local governments "regarding the development of strategies to prepare for and mitigate risks to, and otherwise protect, the security of information systems."	Approved
AB472	Establishes policies for reducing recidivism rates and improving other outcomes for youth in the juvenile justice system. (BDR 5-918)	Committee on Judiciary		(AMENDED 2) This Bill creates a Juvenile Justice Oversight Commission comprised of the Governor and 24 members. Counties are represented by directors of juvenile services, district attorneys, public defenders, and law enforcement agencies. Requires the Commission to create a risk assessment tool for juveniles	Approved
AB478	Revises provisions relating to elections. (BDR 24-463)	Committee on Legislative		SOS - (AMENDED) Changes deadlines for registration to vote, different for by mail and online	Approved
AB479	Revises provisions governing the retention of records by a local government. (BDR 19-900)	Committee on Government	Oppose	Gives the Div. Lib and Archives the authority to pull the records retention program.	Died
AB489	Revises provisions relating to the Revolving Account for Land Management. (BDR 26-907)	Committee on Ways and Means		Expands the account for Land Management (for State lands) so that it can be used to acquire land, do environmental assessments and conduct mitigation of the land; also makes an appropriation of 200k to the account	Approved
AB519	Makes an appropriation to the Secretary of State to provide grants of money to the counties in this State for the purchase of voting machines. (BDR S-1238)	Committee on Ways and Means	Support	Appropriation for voting machines. \$8 million total, which is divided up so that each county should receive approximately 50% of the projected cost for their purchase of voting machines.	Approved
IP1	Revises provisions relating to voter registration.			Automatic voter registration at the DMV with issuance/update of driver's license/id card; requires secure electronic transmission to SOS and county clerk	Vetoed

AJR5	Proposes to amend the Nevada Constitution to remove the constitutional provisions governing the election and duties of the Board of Regents of the State University and to authorize the Legislature to provide by statute for the governance, control and management of the State University and for the reasonable protection of individual academic freedom. (BDR C-60)	Assemblyman Elliot Anderson; Senator Woodhouse		(AMENDED 2) This resolution proposes to amend the Nevada Constitution to remove the constitutional provisions governing the Board of Regents and to authorize the Legislature to provide by statute for the governance, control and management of NSHE. Statute already has language re governance through the Regents, this does not change that statute	Approved
AJR7	Expresses the opposition of the Nevada Legislature to certain proposed changes to the federal Medicare and Social Security programs. (BDR R-699)	Assemblymen Frierson, Elliot Anderson, Benitez-Thompson,			Approved
AJR10	Expresses opposition to the development of a repository for spent nuclear fuel and high-level radioactive waste at Yucca Mountain in the State of Nevada. (BDR R-1012)	Assemblymen Brooks, Frierson, Yeager, Watkins, Benitez-		Expresses opposition to the development of a repository for spent nuclear fuel and high-level radioactive waste at Yucca Mountain in the State of Nevada	Approved
AJR11	Urges Congress to ensure that the Intermountain West Corridor does not bypass Mineral County. (BDR R-561)	Assemblymen Hansen, Ellison and McArthur;		(AMENDED) Urges Congress to ensure that the Intermountain West Corridor does not bypass Mineral County.	Approved
AJR12	Urges Congress to abolish the Gold Butte National Monument. (BDR R-876)	Edwards		Urges Congress to abolish the Gold Butte National Monument.	Died
AJR13	Expresses the support of the Nevada Legislature for the enactment and use of the Antiquities Act and the designation of the Basin and Range National Monument and the Gold Butte Monument in this State. (BDR R-1061)	Swank	Neutral	Expresses the support of the Nevada Legislature for the enactment and use of the Antiquities Act and the designation of the Basin and Range National Monument and the Gold Butte Monument in this State.	Approved
AJR14	Proposes to amend the Nevada Constitution to ensure access to affordable emergency medical care at reasonable rates to all persons in this State. (BDR C-1218)	Committee on Legislative Operations and Elections			Approved
AJR10*	Proposes to amend the Nevada Constitution to revise provisions relating to the compensation of certain elected officers. (BDR C-1068)	Assemblymen Dooling, Gardner, Seaman, Shelton, Stewart and Trowbridge		Removes the Legislature's ability to set salaries & benefits for legislators, judges & constitutional officers. Creates an independent salary commission that will set salaries beginning in 2019. in 2015 Session NACO worked with the sponsors to add an amendment for salaries of county elected officials to be included & set under the salary commission. Also, changes the makeup of the commission so that no members are appointed by anyone but the Governor & that members represent different interest groups including unions & private business.	Died
ACR7	Directs the Legislative Commission to conduct an interim study concerning property taxes. (BDR R-1049)	Neal	Support	Creates an interim study re property taxes	Died

2017 Legislative Session - Final Bill Tracker

CONFIDENTIAL

SB5	Revises provisions relating to the issuance of certain private activity bonds. (BDR 30-420)	Committee on Government Affairs	Support	LEAGUE OF CITIES (ON BEHALF OF NV RURAL HOUSING) - tax exempt Private Activity Bonds, used by NRHA to finance affordable housing programs, have a State cap for the amount that can be issued. Currently the State of Nevada (Div. of Housing) makes the allocations and pursuant to NRS keeps 50% for the State to allocate and gives 50% to local governments to allocate or use. This bill changes the allocation so that NRHA gets 10%, the State gets 45% and local government gets 45%.	Died
SB8	Revises provisions relating to presentence and general investigations and reports. (BDR 14-439)	Committee on Judiciary	PRIORITY, Support	NACO - (AMENDED) Re Presentence Investigation Reports (PSIs). For many years the State bore the entire cost of producing PSIs, then in 2011 shifted 70% of the cost to counties. This bill rebalances that cost, requiring the counties to pay only 30% of the cost to produce PSIs; this bill also, as requested by Clark county in a similar BDR they have proposed, authorizes the Div. of Parole and Probation to enter into an agreement with any county wherein that county can choose to pay 100% or a portion of the cost of the PSIs, in which case the agreement stipulates a time by which the reports must be produced; also authorizes a county to choose to assume the duty of preparing the reports, at the county's expense and, if they take over the reports, that duty shall be carried out by county employees.	Died
SB9	Revises provisions relating to presentence and general investigations and reports. (BDR 14-437)	Committee on Judiciary	PRIORITY, Support	CLARK COUNTY - (AMENDED) Re Presentence Investigation Reports (PSIs), authorizes the Div. of Parole and Probation to enter into an agreement with any county wherein that county can choose to pay 100% or a portion of the cost of the PSIs, in which case the agreement stipulates a time by which the reports must be produced; also authorizes a county to choose to assume the duty of preparing the reports, at the county's expense and, if they take over the reports, that duty shall be carried out by county employees EXEMPT	Died
SB26	Makes certain changes concerning governmental entities that contract with or invest in companies that boycott Israel. (BDR 27-418)	Committee on Government Affairs		LT GOV - (AMENDED) Prohibits local government and the State from entering into certain contracts with entities who boycott Israel	Approved
SB47	Makes various changes relating to the appropriation of water. (BDR 48-499)	Committee on Natural Resources		(AMENDED 3) DIV WATER RESOURCES - This Bill declares conjunctive use as the policy of this state, regardless of the source; changes the contents of permit applications (AF, CFS, and Point of Diversion), and changes the amount of water required to apply for an interbasin transfer from "more than 250 af" to "25% of perennial yield or 1,000 AF of water, whichever is less". Watering livestock is not (as of amendment) going to be defined as a "pre-statutory vested right for watering livestock," but will be exempt from permit and recording fees. The State Engineer is no longer subject to any forfeiture deadline (prior deadline 30 days), and may also prohibit the reconditioning of a well, or require the plugging of any domestic well (not just those drilled on or after July 1, 1981), which includes wells that receive water from a water district or municipality. The most recent amendment adds to the list of considerations before the State Engineer forfeits a water right and directs the State Engineer to prepare a water budget and calculate and maintain an inventory of water.	Approved
SB53	Revises provisions relating to the installation, operation and maintenance of telecommunications facilities. (BDR 18-234)	Committee on Transportation	Support	GOV OFFICE OF SCIENCE INNOVATION AND TECH - (AMENDED) Dir of the Office will develop a strategic plan for Broadband, telehealth, and expanding fiber. Allows NDOT to grant access in their right of ways for telecommunications and create regs to govern that process including creating a compensation schedule for use of the ROWs.	Approved
SB54	Revises provisions governing the use of the proceeds of a tax for infrastructure by certain smaller counties. (BDR 32-341)	Committee on Revenue and Economic Development	PRIORITY, Support	LYON COUNTY - (AMENDED) Changes NRS 377B.100 & 160 to allow rural counties to expand the use of the sales tax that they are authorized to collect to fund infrastructure. The bill would allow counties to vote to expand the use of the tax for, health and welfare facilities, and for operations and maintenance excluding salaries; if the use is expanded, requires the county plan for the use of the infrastructure tax be updated every 4 years	Approved

2017 Legislative Session - Final Bill Tracker

CONFIDENTIAL

SB57	Revises provisions relating to the Nevada Commission for the Reconstruction of the V & T Railway. (BDR S-414)	Committee on Government Affairs		STOREY COUNTY - (AMENDED) Removes Washoe, Lyon, and Douglas Counties from membership on the Commission for the reconstruction of the V&T Railroad, along with their responsibility to provide funding for the railroad	Approved
SB60	Revises provisions governing Medicaid payments for ground emergency medical transportation services. (BDR 38-411)	Committee on Health and Human Services		CITY OF LAS VEGAS - (AMENDED 2) Authorizes the Dir of Health and Human Services to include in the Medicaid plan a provision allowing a voluntary plan to allow a local govt entity or tribe to get Medicaid reimbursements for ambulance trips for Medicaid patients.	Approved
SB63	Revises provisions which govern responsibility for the costs of maintenance and repair of certain county roads. (BDR 20-324)	Committee on Revenue and Economic	PRIORITY, Oppose	LEAGUE OF CITIES - Requires counties to pay for county roads in towns with a town board, or, if the county does not maintain the streets, pay the town board to maintain the streets with a fraction of fuel tax money (365.550) that equals the proportion of streets in the town to all streets in the county	Died
SB74	Revises provisions relating to water. (BDR 48-178)	Committee on Natural Resources		(AMENDED) DIV OF WATER RESOURCES - This Bill addresses the need to consider drought designations and conservation efforts with respect to the "use it or lose it" beneficial use water right requirement and adds a rainwater collection component for single-family homes and wildlife for non potable domestic use (so long as it does not interfere with water rights or drought designations); allows the State Engineer to create an Advisory Committee on Water Planning; creates greater penalties for water law violations (\$10,000 per day, attys fees and costs, seek injunctive relief from courts); and adds water planning requirements including coordination with local governments (metering, new development standards, tiered rate structures for conservation, and watering restrictions). Note: deletes factors for reviewing local and federal water planning documents; deletes requirement for large water suppliers to analyze the feasibility of charging variable rates for conservation. EXEMPT	Approved
SB79	Revises provisions concerning the confidentiality of certain personal information of certain persons and entities. (BDR 20-400)	Committee on Government Affairs		NV SUPREME COURT - (AMENDED 2) Adds to the list of people who can request that personal info be kept confidential (clerks, more judges, and DAs have asked to be included, as well as domestic partners of judges, and PDs, firefighters and legislators) - redefines personal info, removes pictures of homes from things that can be requested kept confidential ; the req for confidential has to include a sworn affidavit and justification for the request but evidence is not required; also applies the provisions of existing law relating to personal information contained in the records of a county assessor to personal information contained in the records of: county records, the SOS or a county or city clerk. Does allow clerk/recorders though to provide the info for title-related reasons	Approved
SB84	Makes various changes relating to ethics in government. (BDR 23-250)	Committee on Legislative Operations and Elections		COMMISSION ON ETHICS - (AMENDED 2) Reorganizes and reenacts portions of the ethics chapter of NRS; changes to filing and reviewing ethics complaints; allows for additional training and correction actions in answer to complaints; whistleblower protections for those making complaints from within agencies; expand remedies to include training and coming into compliance; expands the definition of public official to include contractors and employees; expands what constitutes a conflict of interest for a public official	Approved
SB88	Revises provisions relating to the Contingency Account in the State General Fund. (BDR 23-105)	Committee on Finance	Support	If body cameras are mandated, this bill would allow counties under 100k to apply, through the State Board of Examiners and the Legislature's Interim Finance Committee, for a one time allocation from the Contingency Account of the State's General Fund, to pay for the cost of body cameras and related expenses.	Died
SB122	Establishes a program to provide grants for family planning services. (BDR 40-630)	Senators Cancela, Ratti, Cannizzaro, Parks and Woodhouse;		(AMENDED 2) Creates an account for family planning in the State General Fund and the account shall be administered by DHHS. The money in the account can be awarded to local governments or non profits to provide family planning services to those without access to such services.	Approved

2017 Legislative Session - Final Bill Tracker

CONFIDENTIAL

SB123	Revises provisions relating to the State Long-Term Care Ombudsman. (BDR 38-507)	Ratti		(AMENDED) There exists a State Long Term Care Ombudsman to advocate for the protection of the health, safety, welfare and rights of residents of facilities for long-term care (not just the elderly). This bill adds the Ombudsman may make local, state and federal policy recommendations re long term care; and has the authority to appoint advocates and an advocacy program; removes the authorization for the Ombudsman to investigate claims for those younger than 60	Approved
SB127	Revises provisions relating to the election of members of certain local governing bodies. (BDR 20-786)	Goicoechea	PRIORITY	(AMENDED) For counties under 100k, for bodies with limited functions and whose members receive less than \$6k for serving (may include a town board, citizen's advisory council, local improvement district, general improvement district, county hospital district, fire protection district and irrigation district) county commissions may appoint the members IF the board currently lacks a quorum of members, or, if the Board has a quorum and the board votes to appoint members to any vacant seats.	Died
SB134	Revises provisions concerning water. (BDR 48-787)	Goicoechea and Ford		Re State Water Engineer - re resolution of conflicts between domestic well owners and applications for permits to appropriate water for beneficial use; authorizes the State Engineer to require a monitoring, management and mitigation plan as a condition of approval for an application for a permit to appropriate water or to change the point of diversion, manner of use or place of use of water already appropriated even if the State Engineer does not find that the proposed use or change set forth in the application conflicts with existing rights.	Died
SB144	Revises provisions relating to elections. (BDR 24-300)	Spearman		(AMENDED 3) Requires the SOS to create an elections app. Creates pre registration for voters not yet 18 but older than 17. Allows voters to sign signature cards rather than rosters when they vote. Changes to military voters overseas.	Approved
SB170	Revises provisions governing public records. (BDR 19-560)	Segerblom	Oppose	Includes electronic documents as public records; requires that copies can be requested in electronic form with exceptions; requires records be provided within a certain timeframe or notice to the requester must be given; the local govt can give notice if the record requested will make "extraordinary use of its personnel or technological resources"; if a local govt does not comply with the requirements a requester can apply for a court order for the record; fees for copies of public records cannot be charged for noncommercial requests of electronic copies unless the govt has to use "extraordinary ...resources" in which case fees can be charged	Died
SB176	Revises provisions relating to public safety. (BDR 23-666)	Senators Ford, Atkinson, Spearman,	PRIORITY, Support	(AMENDED) Mandates body cams for all uniformed officers who regularly interact with the public. Allows all counties to place a surcharge on phone bills of up to \$1.00 to be used for 911 systems as well as for the purchase and maintenance of body cams and dash cams. Implementation date July 2018	Approved
SB218	Revises provisions relating to public notices. (BDR 19-981)	Ford	Support	BROADCASTER'S BILL RE NOTICES - Allows that public notices now published in newspapers be published on the website of a broadcast radio or television station or the broadcaster's association; unlike newspapers, which for publishing of notices, have to be in business for at least 1 year, the same is not required of websites; there is also no requirement that those sites are local, similar to the requirement for newspapers.	Died
SB236	Requires a license or permit issued by a local government to operate certain businesses in which the use of marijuana is allowed or to allow the use of marijuana at certain events. (BDR 20-	Segerblom	Neutral	(AMENDED) Enables a county to pass an ordinance creating a license to allow private business where marijuana use is permitted, as well as special events where marijuana use is permitted in unincorporated areas (except at airports) ; allows cities to do the same within city limits; allows the collection of a fee which cannot be more for similar businesses; county can't create requirements that are "unreasonably impractical"	Died
SB245	Revises provisions governing county treasurers. (BDR 20-599)	Senators Parks and Ratti; Assemblyman		(AMENDED) Language creating an account and revenue for a treasurer's technology fund was removed. Bill only now contains language to update the use of facsimile transmissions by Treasurers	Approved

2017 Legislative Session - Final Bill Tracker

CONFIDENTIAL

SB246	Revises provisions relating to public works. (BDR 28-667)	Manendo, Hardy, Parks, Settelmeyer, Hammond, Atkinson, Denis and Farley		(AMENDED 2) Adds additional requirements for bidding for to advertise for public works projects using CMAR for proposals or applications if over \$100K; changes requirements for RFPs for CMAR; current law eliminates local bodies ability to enter into CMAR contracts on July 1 2017 - this extends that to 2021; currently local governments may contract with a design-build team on projects over \$5mill, this bill removes that threshold and allows local govts to do this on 2 projects less than \$5million/yr.; bill declares that CMAR is not intended to be used by the State or a political subdivision to limit competition, discourage competitive bidding or engage in or allow bid-shopping; amount of compensation can only be used for 5% of scoring for ranking applicants (was 20%)	Approved
SB267	Revises provisions governing real property. (BDR 9-822)	Ford and Harris		(AMENDED 2) Bill to allow auctions for homes to occur anywhere the county choses, instead of just the courthouse steps. Also, counties are allowed to create an expedited procedure for the foreclosure of abandoned residential property; and are authorized to create a registry of abandoned residential real property and a registry of real property in danger of becoming abandoned - those provisions were set to expire in 2017 and this bill extends expiration to 2021.	Approved
SB268	Revises various provisions relating to corrections. (BDR 16-546)	Committee on Judiciary		(AMENDED 2) Authorizes county jails or detention facilities to provide, if requested by any offender or child being released from jail or detention, "reasonable assistance" in acquiring id	Approved
SB270	Revises provisions relating to water. (BDR 48-359)	Committee on Natural Resources		(AMENDED 2) A Bill that abandons vested water rights if proof is not submitted to the State Engineer by December 31, 2017. The Amendment eliminates proof for an adjudication on and after January 1, 2028, except for federal agencies claiming reserved rights, because section 1 requires this information on pre-statutory water rights by December 31, 2027, or such claims are deemed to be abandoned.	Approved
SB291	Revises provisions relating to health records. (BDR 54-350)	Hardy, Harris, Atkinson,	PRIORITY	(AMENDED 4) NACO offered amendment that sponsor accepted. To ensure that hospital would release medical information to the county coroner; authorizes the coroner to sign an uncompleted death certificate	Approved
SB305	Revises provisions regarding certain proceedings concerning children. (BDR 38-926)	Ratti, Ford, Segerblom, Manendo, Parks, Atkinson, Cancela,		(AMENDED) Currently a court may appoint an attorney for a child who has been abused or neglected for termination of parental rights and child protection proceedings - this bill makes the appointment of an attorney a requires and those attorneys are required to receive compensation; appointed guardians for children must be attorneys for guardian ad litem proceedings are required to receive compensation; the bill adds \$3 to recorder fees (total \$6) that can be dedicated to the cost for these attorneys	Approved
SB313	Revises provisions relating to local public libraries. (BDR 33-804)	Denis		Allows for the creation of library foundations, non profit organizations affiliated with public libraries that can accept anonymous donations but who are subject to open meeting law and other transparency measures; allows public libraries to convey or purchase property and for any construction or improvement projects are subject to prevailing wage; allows transfer of library money to library foundations	Approved
SB314	Revises provisions related to the installation of certain systems for obtaining wind energy. (BDR 22-482)	Committee on Commerce, Labor and Energy		(AMENDED) Current law says that a local govt cannot impose a law that "unreasonably restricts" an owner from installing a wind energy project, but that this does not prohibit the county from putting a "reasonable restriction" on height. The bill adds that a local govt can still deny an application for a wind mill based on height, size or configuration only if it represents a health safety risk or if it is not compatible with the character of the area.	Approved
SB329	Revises various provisions relating to marijuana concerning health and regulation. (BDR 40-361)	Segerblom	Oppose	A Bill that transfers Medical Marijuana regulation to the Department of Taxation from DHHS, defines "nonprofit" dispensaries, establishes standards and certifies research facilities, allows any veteran upon proof to obtain a medical marijuana card; medical marijuana dispensaries will only have to certify compliance with local zoning, but the county cannot impose any taxes or other requirements aside from "general application to businesses within the jurisdiction"; SECT 58 addresses "growing" and "agricultural" requirements.	Died
