**March 19, 2020, 1:00 p.m.**

**Nevada Association of Counties  
304 South Minnesota Street  
Carson City, NV 89703**

**ATTENDANCE:** Chairman French, Vice Chair Sharkozy, Clark County Commissioner Jones, Pershing County Commissioner Shank and NACO Staff (Dagny Stapleton and Amanda Evans)

The meeting was called to order at 1:02 pm by Chairman French.

1. **Public Comment.** None was given.
2. **Approval of Agenda.** The agenda was approved on a motion by Vice Chair Sharkozy with second by Commissioner Shank.
3. **Approval of Minutes for the February 7, 2020 Meeting of the Board.** The minutes were approved on a motion Vice Chair Sharkozy by with second by Commissioner Shank.
4. **Presentation of a Resolution from the Nevada Association of Counties (NACO) Board in Support of the IAF Board's February 7, 2020 Action Regarding Uses of the Fund.** Dagny referred to the resolution included in the packet. She informed the Board that the resolution was approved unanimously and wanted to ensure the IAF Board was aware of the resolution.
5. **Presentation of the Projected Sources and Uses of the Fund for FY2021.** Dagny referred to the document included in the agenda packet. She noted that the document was updated to reflect the Board's decision in February. She noted the changes within the line item uses to reflect the \$8M dedicated for counties. Public comment was requested but none was given.
6. **Approval of the Proposed Sources and Uses of the Fund for Hospital Care to Indigent Persons Including the IAF Non-Federal Share Transfer Amount for FY2021.** The Sources and Uses of the fund were reviewed with the Board and approved on a motion by Commissioner Jones with second by Vice Chair Sharkozy.

7. **Discussion and Approval of a Formula for Distributing \$8,000,000 to Counties to Use to Offset their Nonfederal Share of Expenditures for Long-Term Care Pursuant to the State Plan for Medicaid.** Dagny referenced the document included in the agenda packet. She explained that the first proposed distribution formula was determined by taking the percentage of the assessment to each county of the total Medicaid long term care match assessments statewide and applying that to the \$8M. The second formula for the Board to consider was calculated using the portion of each county's contribution to the \$1.5 cent property tax allocation to the IAF fund. She noted that a decision on the distribution needs to be made for 2021 during the meeting. Chair French noted that the intent was to reimburse counties based on the amount of their assessment and that he feels that the distribution needs to be based most closely on the NRS. Commissioner Shank agreed to Chair French's comments as did Vice Chair Sharkozy. It was also noted that the distribution formula could be changed in the future, at the beginning of a cycle. Commissioner Jones also agreed that he felt the most equitable distribution method for FY20/21 was the formula based on the amount of the individual county assessments. The distribution formula based upon the percentage each county pays for the total statewide assessment was approved unanimously on a motion by Commissioner Shank, second by Commissioner Sharkozy.
8. **Discussion of Future Agenda Items and Future IAF Meeting Dates.** Dagny suggested that the Board would not need to make any decisions prior to the Fall and that staff could determine the need for a meeting and reach out to the Board at that time. Dagny's suggestion was approved by consensus.
9. **Public Comment.** Jeff Fontaine asked whether the funds to counties associated with item 7 would be received as credits toward the counties' assessments.

The meeting was adjourned at 1:24 pm.
