Northern Nevada Work Based Learning

- ❖ A group of business, K-12, higher Ed, non-profits and government is creating a regional work based learning model
- ❖ JOIN Inc. is the intermediary. Connector and translator for business, education and government
- ❖ This model:
 - ✓ Supports SB66 and removes the administrative burden for teachers and school staff
 - ✓ Creates more opportunities for students to gain insight into college majors and career pathways
 - ✓ Available to all students
 - ✓ Business lead
 - ✓ Student focused

Apprenticeship Support Program

- JOIN's **Transition Facilitator** assists the apprentices as they transition into their new learning environment of work and study
 - Aid in the development of professional competencies – technical knowledge, work habits, character traits
 - ✓ Relocation basics; Social integration; Emotional pathways, Financial Literacy; Peer-to-peer network
- JOIN Inc. is the support intermediary between the employer, apprentice and educational institution to ensure a successful integrated outcome for all parties

FOCUSED ON ALL
INDUSTRIES AND CAREERS

Thank you! Connect and support:

Breaking the cycle of poverty and promoting prosperity for all Nevadans

- ✓ Advocate for increased Workforce Innovation Act (**WIOA**) funding to Nevada
 - ✓ Support and scale up existing Workforce Agencies and Programs
 - Avoid adding more providers to the “system”
 - Avoid duplication of services
